

Dear QIAgility® user,

We would like to inform you about new information pertaining to QIAgility instruments. The current *QIAgility User Manual*, June 2013, does not yet contain this new information.

Update to “Symbols on the QIAgility”, Chapter 1.8 and the French and German translations in Appendix C and D. The updated information is as follows:

New symbols and descriptions:

	Type plate on the back of the instrument	RCM mark for Australia and New Zealand (supplier identification N17965)
	Plaque signalétique à l'arrière de l'appareil	Label RCM pour l'Australie et la Nouvelle-Zélande (identifiant du fournisseur N17965)
	Typenschild auf Rückseite des Instruments	RCM-Mark-Zeichen für Australien und Neuseeland (Herstellerkennung: N17965)

Old symbols and descriptions:

	Type plate on the back of the instrument	C-Tick mark for Australia (supplier identification N17965)
	Plaque signalétique à l'arrière de l'appareil	Label C-Tick pour l'Australie (identifiant du fournisseur N17965)
	Typenschild auf Rückseite des Instruments	C-Tick-Mark-Zeichen für Australien (Herstellerkennung: N17965)

Update to “Declaration of Conformity”, Appendix A. The updated information is as follows:

We herewith declare under our sole responsibility that the product

QIAgility

Conformity Assessment Route:

Annex IV 2006/95/EC and Annex II 2004/108/EC

Classification: **Life Science Device**

meets all applicable requirements of the following European Directive:

Low Voltage Directive (LVD) 2014/35/EU
